

Pocket Journal for Writers (Paperback)

By Jackie Anton

Half Appy Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The pocket journal was created for my own use as a writing tool. Something small that would fit into the glove compartment of my car or into my purse, but large enough to write in. I decided to share it with other writers who had similar problems with random handwritten notes when they sit down to write the first draft of a story or novel. Pocket Journal is there when inspiration strikes. I keep one in my shoulder bag, one in my car, and another Pocket Journal on the nightstand beside my bed. Great ideas often come at odd times. Writers will find the Pocket Journal a useful tool to have at hand when sitting down to draft their article or book. Notes are in easy to find sections that save time when referring to your title research, character studies, time lines, and more critical elements.
