For Heath, who is paraplegic, it is the chance to test out a new, cutting edge line of outdoor equipment, designed by Leah to make the wilderness more accessible to disabled campers. On their second night, Anna takes a canoe out on the Fox River but when she returns, she finds that a band of kidnappers, armed with rifles, pistols and knives, has taken the group hostage. With limited resources and no access to the outside world, it is up to Anna to track them across the treacherous landscape and rescue her friends before it is too late.
