Reviews

An exceptional book as well as the font applied was fascinating to learn. It is loaded with knowledge and wisdom I am just easily can get a pleasure of studying a created book.

(Dr. Benjamin Lakin)

EAT SMOKE SLEEP

Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Side-splitting travel book. Okka was a young man from Australia who decided to travel the world in search of the best pot, (gunga, marijuana, hash, weed, grass, dope, smoko, and herb). It was his ambition to learn as much as he could about the world of smoking dope and getting stoned, on a limited budget. He travelled to the U.S. and learnt about Hydroponic Buds, on to Mexico and Acapulco Gold, Thailand and studied Buddha, Buddha Sticks that is, then to Nepal and encountered Nepalese Black Putty Hash, Cambodia and Space Cake, then lastly India, land of the multi colored Orgasm. He had many hilarious adventures and was always true to his roots, Ozzy born and bred. The book contains Australian slang mixed that sarcastic Ozzy sense of humor. Yeah mate, bloody, beauty cobba, hows ur mothers chooks. If you are easily offended then this book is not for you. You re sure to get laugh. Names haven t been changed because no one is innocent.
