

In Lonely Places: Film Noir Beyond the City (Paperback)

By Imogen Sara Smith

McFarland Co Inc, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Although film noir is traditionally associated with the mean streets of the Dark City, this volume explores the genre from a new angle, focusing on non-urban settings. Through detailed readings of more than 100 films set in suburbs, small towns, on the road, in the desert, borderlands and the vast, empty West, the author investigates the alienation expressed by film noir, pinpointing its motivation in the conflict between desires for escape, autonomy and freedom--and fears of loneliness, exile and dissolution. Through such films as *Out of the Past*, *They Live by Night* and *A Touch of Evil*, this critical study examines how film noir reflected radical changes in the physical and social landscapes of postwar America, defining the genre's contribution to the eternal debate between the values of individualism and community.

Reviews

This book is definitely not effortless to begin on looking at but quite entertaining to read. Better then never, though i am quite late in start reading this one. I am just easily can get a enjoyment of looking at a written ebook.

-- **Elinor Hyatt**

Very helpful to all of category of folks. It is one of the most amazing ebook we have read through. You wont sense monotony at anytime of your time (that's what catalogs are for regarding when you check with me).
