

## Notes and Formulae for Mining Students (Classic Reprint) (Hardback)

By John Herman Merivale

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Notes and Formulae for Mining Students I AM frequently asked by students to advise them as to the course of study they should pursue in order to pass the Colliery Managers examination; or, more generally, to enable them to become properly qualified mining engineers. So far as the certificate is concerned, I have always found (premising, of course, a thorough knowledge of reading, writing, and arithmetic), that an intimate acquaintance with all the details of a colliery, both above and below ground, is of much more importance than book learning. The student should, however, have the Mines Act, General and Special Rules at his fingers ends, and such a knowledge of the theory of the gases and ventilation as may be obtained from Atkinson's Book. But, of the man who aspires to a high place amongst the mining engineers of the next generation, something more than this is required. Every year the necessity of a thorough grounding in certain departments of science is becoming more apparent, and I have no hesitation in saying that the successful English mining engineer...
