A healing crisis, misplaced trust and a failed marriage, intensify her desire for a teacher who can lead her to self-realization. Her prayers are answered in the form of a realized adept, a Swami from the faraway shores of Rishikesh, India, who initiates her in his lineage of Kundalini Science, the study of the Divine force within every human being that is the initiator of spiritual growth. And so begins an incredible inner journey as Dani dedicates herself to a spiritual practice aimed at the redirection and completion of a challenging Kundalini process related to her Jewish past. Paradoxically, with the completion of her process she experiences a triumphant return to the religion of her birth.
