Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Foundations of Ethics He was in every respect a radical - radical in his Hedonism, radical in his belief in free energy of volition, radical in his disbelief that a science of Ethics can be framed. However much one may dissent from any or all of his views - and several of them I am myself unable to share - one can not, I think, fail to find the treatise stimulating and suggestive in a remarkable degree. Nor can one escape a pang of regret that so genuine a philosopher, so strenuous yet so kind a man, should have had no more time allotted him than just to overcome the material difficulties that harassed his youth, and to show us one glimpse of his quality, and then be snatched away. My own acquaintance with Maude was limited to his last two college years. His intimate friend, the Reverend Charles S. Murkland, of Manchester, N. H., has kindly sent me a short account of his life, which I now append. John Edward Maude illustrated throughout his worldly career that faculty of forceful attention which, in his own view, is the supremely important element in ethics and in life. His was one of those many lives in which resoluteness of purpose triumphs over outward circumstances and physical infirmity. Unlike the many, he lost nothing in beauty of life by the genesis and exercise of power. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format...
