WONDERLAND: SADR S RESPONSE TO THE CRITICS (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: Arabic . Brand New Book ***** Print on Demand *****.It seems that an external and internal media attack against Iraqi publically leader Muqtada al-Sadr has been and continues to be aimed at questioning his reformist project. The Sadrist project that makes the decision an Iraqi, a servant of our people. This campaign is by the satellite channels of corrupt politicians, not only that. Politicians also used unemployed members to spread rumors and accusations against Sadr. Political money is used in Iraq against the national project. So Muqtada al-Sadr wrote these lines in order to clarify the secrets. This introduction, in order to vouch for the reader one of the reasons for publishing the wonder of wonders by Muqtada al-Sadr. According to my understanding. I believe that the leader is the guarantor of Iraq s independence and sovereignty, and working for the freedom and rights of our people. I put these pages in the hands of my intellectuals and academics, to support the Iraqi leader and his national project. I have closing remarks, which I will include after you read the chest lines.
