Reviews

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

AIR BATTLE OF THE RUHR: RAF OFFENSIVE MARCHJULY 1943

DOWNLOAD

Pen & Sword. 1 Paperback(s), 2013. soft. Book Condition: New. First published in 1992, this book from the author of Air Gunner and Target Leipzig chronicles the exploits of Bomber Command during their offensive against German industry in the Ruhr valley during World War II. Tasked with flying out across the heavily defended region time and again for bombardments and offensives, scores of young pilots called upon unfathomable reserves of courage to meet their objectives. With black and white photos throughout, the book describes these harrowing missions and profiles the Ruhr and its great importance for German manufacturing. Here too are statistics for the bombers dispatched, the number that actually reached the targets and, poignantly, those that never made it. 228.
