Do you know the tale of the months, the ancient Bohemian legend, - how by a fire which never goes out, sit twelve silent men each with a staff in his hand? The cloaks of three are white as snow, and three are green like the spring willow, and three are gold as the ripened grain, and three are blood-red like wine. The fire that never fails is the sun; the silent men are the months of the year. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
