AMERI-KHAN: Frontier Duty on the Grand Trunk Road A novel by Gordon King The book lays out in vivid fashion US diplomat David Booth s assignment during the Eisenhower Presidency to open an American Consulate in Peshawar, Pakistan, pioneering an American diplomatic presence in the wild lawless area between the great Indus River and the border with Afghanistan. It included the fabled Khyber Pass, Baluchistan Province in the far south, and the majestic Himalayas in the far north, an area which for centuries had known only the law of the rifle and the rigors of tribal ways. The Grand Trunk Road, alive with legions of walkers and caravans, ended in Booth s district, thousands of miles from its origin in Calcutta. He made a home for his wife and children in Peshawar, opened an official American office, and hired a staff including an advisor who happened to be a member of the ruling family of a northern principality. The new office dealt with a myriad of cultural, bureaucratic and practical crises in the process of getting firmly established. (cont d on back flap) For example, an elderly American woman died in a local hotel--and her corpse was accidentally switched with that of a tribal Khan, creating a sensation among the Pushtun tribes. An American Colonel, in charge of a training detachment assigned to the Pakistan Army, turned pacifist with messy results. A church bazaar dissolved before a riot. Later, Booth spent five nightmare days in a hospital with bulbar malaria--5 recovery rate--before retreating to his prince advisor s mountain home for a recovery. After two years of further adventures and crises for David and his family,...
