Reviews

A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Burning Eye Books, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. God Save The Teen takes us through the side streets of modern Britain, finding love and loss within the fractured estates and beleaguered communities and pays homage to the likes of Johnny Cash, Alan Moore and Nottingham s own Brian Clough in a slide tackling style of poetry, which is all the writers own. There is an honesty here, a heart on sleeve, soul searching rhythm which is never more apparent than in his acclaimed one person show, which sits at the centre of this brutal, sometimes funny, always emotional brand new collection. Partly hopeful, partly nostalgic it s a gritty, chaotic and curious rhetoric, perfectly in keeping with the post-Brexit, uneasy atmosphere of an increasingly out of control, faltering modernity.
