Inge Meldgaard, Australia, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Set in twenty-fifth century Australia, the Brisbane Peacekeeping Force is called in to investigate the death of a young woman, whose body is found in an isolated bushland area near the small Queensland town of Stanthorpe. The Peacekeepers are accompanied by their cat, Shela, who uses her telepathic powers to help solve this increasingly unusual case. The dead woman s life is gradually revealed, together with her secrets, until the past collides with the present in a haunting conclusion. At times shocking, this sequel to The Cicada is a story of despair, betrayal, loss and redemption: a story of darkness and of the power of love.
