Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Bass fishing is the activity of angling for the North American gamefish known colloquially as the black bass. There are numerous black bass species considered as gamefish in N.America, including largemouth bass (*Micropterus salmoides*), smallmouth bass (*Micropterus dolomieu*), spotted bass or Kentucky bass (*Micropterus punctulatus*), and Guadalupe bass (order Perciformes). Modern bass fishing has evolved into a multi-billion dollar industry. The sport has changed drastically since its beginnings in the late 19th century. From humble beginnings, the black bass has become the second most specifically sought-after game fish in the United States. The sport has driven the development of all manner of fishing gear, including rods, reels, lines, lures, electronic depth and fish-finding instruments, drift boats, float tubes, and specialized bass boats. This easy to read guide provides the best tips for bass fisherman. With advice presented in this book will serve as a handy guide is for every bass fisherman-whether new to the sport or out to refine their skills. Learn what Bass Fishing is, what equipment you will need. What types of knots you will use. Where...
