By Marshall, Stephanie Pace

Jossey-Bass, 2006. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Stephanie Marshall's brilliant thesis invites us to think differently about learning and schooling both in the United States and around the globe. In fact, it does much more. It provides us with ways by which we can change our thinking about learning, and thus offers a new map for schooling that can excite all students and leaders of progressive education." -- Robert W. Galvin, chairman emeritus, Motorola, Inc. "For many years, Stephanie has been a wise, passionate, and courageous educator. Nobody cares more about children; no one honors their innate qualities more than she. Her book makes this visible to the world. She knows our children, she knows our schools, she knows the future if we don't change-we must take heed of her message." --Margaret J. Wheatley, author, Leadership and the New Science "At a time when "education reform" is dominated by hollow slogans and political sleight-of-hand, here is a book that is wise, grounded, visionary, practical, and wonderfully well written. Authored by one of our nation's leading educators, it offers a model of teaching and learning forged in the real world that has the...
