

Life and Beath (Paperback)

By Matt J Pike

Matt Pike, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Welcome to hell on Earth. Who would have thought Beath and her friends would ever be sad to say goodbye to school? But when it's been your home away from home since the Zombie RiZing, long hours in the science lab suddenly don't seem so bad. Eventually, however, as with all of history's greatest battles*, survival comes down to food, or more accurately the lack of it, which forces the teenage survivors and their sole teacher to head out into the wider world. In theory, it's a pretty easy journey down the road to the city's shopping centre. But in reality, well, let's just say zombies aren't the only things standing in their way, with a host of new monsters that will change the game for good (well actually bad). Can the gang find a way to avoid winding up on the dinner table themselves? * this is an untrue statement.
