

The Bible in Its Making (Paperback)

By Mildred Duff, Noel Hope

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Bible in its Making is a classic bible history text by Mildred Duff and Noel Hope that examines the inspiration for and authorship of the good book. The Bible has as literally grown as has an oak tree; and probably there is no more likeness between the Bible as we know it to-day and its earliest beginning, than we find between the mighty tree, and the acorn from which it sprang. The subject is so vast that we have not attempted anything beyond the briefest outline. Our purpose has been merely to give some idea of the origin of the Bible books, up to the measure of our present light upon the subject, and also to show the purpose for which they were written.
