WOLFERT S ROOST, AND MISCELLANIES (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Sir: I have observed that as a man advances in life, he is subject to a kind of plethora of the mind, doubtless occasioned by the vast accumulation of wisdom and experience upon the brain. Hence he is apt to become narrative and admonitory, that is to say, fond of telling long stories, and of doling out advice, to the small profit and great annoyance of his friends. As I have a great horror of becoming the oracle, or, more technically speaking, the bore, of the domestic circle, and would much rather bestow my wisdom and tediousness upon the world at large, I have always sought to ease off this surcharge of the intellect by means of my pen, and hence have inflicted divers gossiping volumes upon the patience of the public.
