Gina MacDonald may be pregnant and on the run, but she will do anything to protect her unborn child even go up against a dragon-shifter. While hiding in the wilds of the Scottish Highlands, she soon notices the black dragon perched on the nearby hills. She debates if he is related to her past or not, but then a pain overcomes her and the dragon finally swoops down to help. Despite her determination to stay clear of all dragon-shifter males, his touch not only helps ease her tension, it sets her skin on fire. Fergus MacKenzie protects his clan by collecting information and warning them of threats. When a redheaded American shows up out of the blue along a nearby lake, he watches her to find out more. However, when he sees her bend over in pain, he flies down to help her. Afterward, he should walk away. But he can't stop thinking about her green eyes and addictive touch. Both man and beast want her more than anything in their lives. As Fergus learns more of Gina's past, he knows she will bring danger to his clan....
