

Here Rests in Honored Glory: Life Stories of Our Country's Medal of Honor Recipients

Filesize: 4.12 MB

Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Merriam Press Military Monograph 15. Second Edition (January 2012). What is the definition of a hero in contemporary American society? What qualifies as a heroic act? What is the proper way to honor those individuals on whom we bestow the title of hero ? With U.S. military personnel at war in Iraq, Afghanistan, and elsewhere, these questions take on greater relevance today than they did in the years that immediately preceded the terrorist attacks of September 11, 2001. Although acts of valor take place daily on the battlefields of the Global War on Terrorism, the United States is struggling to find the right answers to these questions about heroism in the 21st century. In Here Rests in Honored Glory, Andrew DeKever, a veteran of the Iraq War, tackles these very issues. Chronicling the lives of ten recipients of the Medal of Honor, our nation s highest award for combat heroism, DeKever breaks ranks from similar books by focusing more on describing the men behind the uniform rather than on the few minutes of valor that immortalized them in the pages of American military history. As a result, Here Rests in Honored Glory reminds its readers that true heroes are ordinary men and women who, under the most horrific of circumstances, are able to dig deep and find the raw courage necessary to be brave above and beyond the call of duty towards protecting other people and serving a cause greater than themselves. By telling the ordinary lives of these extraordinary heroes, Here Rests in Honored Glory serves as a powerful reminder that all people, no matter what their background, possess the same potential for courage and self-sacrifice-attributes that...
