## WORKAHOLIC UPRISING THE JOURNAL (PAPERBACK)

Lulu.com, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Product Description: The Workaholic Uprising Journal is a tool designed to help working moms achieve freedom from overwhelming thoughts that suffocate women daily underneath a long list of to-dos. Thoughts keep women from pursuing their dreams, allow us to succumb to fear and live a life of bondage that isn't remotely close to the life we've always wanted. Within this journal, you will find The Cycle of Proving, a pattern of emotions I identified along my journey to freedom and through the stories of other strong, working moms. This journal is a constant reminder of all that is possible when you make what you value in life a priority. About The Author: Dr. Cori Cooper is a women's empowerment coach, professional speaker, and health education expert. She uses both her personal and professional experience to ignite and encourage working moms to thrive from a place of self-care.
