

Christianity, the Challenge of a Changing World

By Tom Molnar

Apple Valley Press. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 8.5in. x 5.5in. x 0.3in. What is happening to Christianity Is worldwide Christianity in decline or is it entering a period of change and growth Has religious belief been transformed by the popular ideas of Darwin, Freud, Hugh Hefner and others How are we personally affected by increasing cultural change, and, most importantly, does Christ continue to make a difference in the modern world This well researched book explores both modern culture and science and shows how they impact our thinking and Christianity. It describes the influence of television and our media driven world and illustrates the spectacular growth of Christianity in other countries. The book provides insights that may enable us to act with greater freedom. It may even change the way we think about God. An enlightening read. Preface Polls show declining attendance at Christian churches in Europe. In America, many young adults are not part of any Christian congregation. Church schools close each year, and some of the great cathedrals of Europe exist more as museums than places of worship. Yet in other places, in other countries, Christianity is strong and growing. What is the state of...
