

Security 101: An Introduction to the Private Security Industry (Paperback)

By Joseph J. Jaksa

Carolina Academic Pr, 2016. Paperback. Condition: New. Language: English . Brand New Book. The concept of security and securing one's property and possessions dates back to the early centuries of mankind. Identified as a basic human need, we have an intrinsic desire to protect our self and our property. Today, in the United States, the private security industry is the largest employer in the criminal justice system. The modern-day protection of lives and property includes security personnel, equipment, policies, procedures, and laws. These protective methods are implemented in residential and business communities. The content of this book provides general security concepts, information, and examples intended for college and university students enrolled in an entry-level or introductory security class or those seeking a professional career in security management. The book covers relevant theories and practices and offer topics for research and discussion questions combining both academic theories and current security industry challenges relevant to this complex sector of the criminal justice system. The book is divided into chapters providing the basic building blocks needed to develop a solid foundation of security knowledge. Each chapter includes an introduction/overview, learning objectives, content relevant to the specific chapter topic, along with a topical...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dr. Barney Robel Jr.
