One who wants to get joy of book reading especially in very less time can go for it. About The Book The Love Affairs of Mary Queen of Scots Mary Queen of Scots was one of the most remarkable women who ever presided over the destinies of a nation. She was born at Linlithgow on December 8, 1542, a few days before the death of her father, James V. , thus becoming a queen before she was a week old. Her complex personality and varied accomplishments have inspired many and various historians, but it has remained for Major Martin Hume to demonstrate the historical fatality of Marys love affairs. In The Love Affairs of Mary Queen of Scots, published in 1903, Major Hume gives a convincing and logical reason for Marys political failure, inasmuch as it did not spring from her goodness or badness as a woman, but from a certain weakness of character. This epitome has been prepared by Major Hume himself. For more eBooks visit www.kartindo.com This item ships from La Vergne, TN. Paperback.
