THE CURIOSITY CYCLE (SECOND EDITION): PREPARING YOUR CHILD FOR THE ONGOING TECHNOLOGICAL EXPLOSION (PAPERBACK)

Mugan Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Through curiosity, children carve out concepts from the environment that they assemble into models to describe the world. Children then test those models to see how well they predict what they observe, and they use the results from those experiments to form new concepts and models--leading to the next round of the curiosity cycle. However, our children are more than passive observers....
