Damn it, a man had his pride and a caribou a certain majestic presence, all of which could wind up ruined if he abased himself to play a simple-minded reindeer in the town's Christmas parade. No way was he wearing damned tinsel in his antlers. Like hell was he sporting a red nose and pulling a sleigh. But he changes his mind when he meets the woman in charge of the event. Single mom, Crystal, is doing her best to offer her daughter the best Christmas ever. It's their first in Kodiak Point, and she's not about to let some vain jerk ruin it for her little girl. If playing dirty is what it takes, then bring on the Christmas games. As Crystal and Kyle butt heads--and lips--they discover more than goodwill this holiday season. They're gifted with a second chance at love.
