Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Violet Sumner thinks her life has finally come together. Her psycho stalker is locked away. Her mom is clean and sober, making family life better. The new relationship with her boyfriend, Danny, wins a big thumbs up. When Violet receives an invitation for tea from her estranged grandmother, she wonders what would warrant an invite to Sumner Estate. But things go south quickly. Disturbing phone calls begin, and a severed pig s head is hand-delivered to her house anonymously. To make matters worse, the Innocence Consortium has reopened her original case, threatening to overturn her stalker s conviction. Violet is freaked. Was someone trying to deliberately undermine her state of mind, or did a simple invitation to tea have more sinister motives?.
