There are supposedly more cosmetic surgeons in some cities, than there are practicing general practitioners, or even medical specialists? Why is this so? This book is going to tell you all about cosmetic surgery, and why people have some preconceived notions about it. Also, it is going to tell you all about surgical methods, which are practiced by reconstructive aesthetic surgeons - the new terminology for cosmetic surgeons - in order to make you look more youthful, beautiful, or just plain different. Many people know about one of the scariest socialites in the USA. She has spent \$4 million in...
