Roc, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Dante the necromancer is the most reviled man in Sabria, indicted by the king, the Temple, and the Camarilla Magica for crimes against the living and the dead. Blinded by his enemy s cruel vengeance, Dante salves pain and bitterness by preparing his student, Anne de Vernase, to heal the tear in the Veil between life and death. When Anne abandons him to return to her family, Dante seeks refuge in a magical puzzle, a desperate soldier s dream of an imprisoned enchantress and a faceted glass that can fulfill one s uttermost desires. But the dream is a seductive trap that threatens to unleash the very cataclysm Dante fears. Haunted, desperate, the blind mage embarks on a journey into madness, ancient magic, and sacred mystery, only to confront the terrifying truth of his own destiny.
