

Americana Germanica: Monographs Devoted to the Comparative Study of the Literary, Linguistic and Other Cultural Relations of Germany and America (Classic Reprint)

By Marion Dexter Learned

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Americana Germanica: Monographs Devoted to the Comparative Study of the Literary, Linguistic and Other Cultural Relations of Germany and America The primary purpose of this work is to give an idea of the dialect which has been developed by the German-speaking element in Brazil. As comparatively little is known by the English-speaking public concerning the history, location and relative importance of the German element in Brazil (judging from extant English publications referring to the subject), the main part of the work has been preceded by a chapter dealing with these particular phases. This first chapter is also intended to prepare the reader to form a reasonable estimate of the comparative importance and extent of the dialect under discussion in the main part of the work. In connection with this study the author is particularly indebted to the well-known authority on German American cultural relations and conditions, Professor Marion Dexter Learned, of the University of Pennsylvania. It was at his suggestion and under his constant help and advice that the plan was carried out. While on...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS
