KOALAS: FURRY MARSUPIALS OF AUSTRALIA (PAPERBACK)

To download **Koalas: Furry Marsupials of Australia (Paperback)** eBook, remember to follow the web link below and save the document or get access to other information that are in conjunction with KOALAS: FURRY MARSUPIALS OF AUSTRALIA (PAPERBACK) book.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. We always think of Koalas as bears. In fact, many of us may have owned a teddy bear in the form of a koala. So, the term koala bear which we most often use is not quite correct. This is because koalas belong to the marsupial family. This is the family where the kangaroo belongs, the family where the mothers care for their babies inside pouches. There are many interesting and amazing things to learn about koalas. In this book you will learn what the name koala really means. You will learn much about their way of life, if they are social animals or not. You will find interesting facts about what they eat, drink, what they do during the day and during the night, where they live, and more. Many of your questions will be answered in this book. Why do koalas fight? How do they fight? How does the male protect his home? How does the mother koala care for her baby? Together with these interesting facts are more than 20 colorful photographs of the koala in its natural habitat. These photos will help young readers create images in their minds that will guide their understanding as they read this great book.
