

## Human Biology with Connect Access Card

By Sylvia Mader, Michael Windelspecht

McGraw-Hill Education, United States, 2012. Paperback. Book Condition: New. 13th. 274 x 229 mm. Language: English . Brand New Book. Instructors consistently ask for a human biology textbook that helps students develop an understanding of the main themes of biology while placing the material in the context of the human body. Mader s Human Biology was developed to fill this void. To accomplish the goal of improving scientific literacy, while establishing a foundation of knowledge in human biology and physiology, Human Biology integrates a tested, traditional learning system with modern digital and pedagogical approaches designed to stimulate and engage today s student. Multimedia Integration Michael Windelspecht represents the new generation of digital authors. Through the integration of multimedia resources, such as videos, animations and MP3 files, and in the design of a new series of guided tutorials, Dr Windelspecht has worked to bring Dr. Mader s texts to the new generation of digital learners. A veteran of the online, hybrid, and traditional teaching environments, Dr. Windelspecht is well versed in the challenges facing today s students and educators. Dr. Windelspecht guided all aspects of the Connect content accompanying Human Biology. The authors of the text identified several goals that guided...
