### ***Reviews***

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Tawananna loves her people and her brother Ephron. The arranged marriage between herself and Elon seems likely to show strength and unite the clans. It might even tame Shelometh's rebellious heart. Tawannana is a slayer of dragons and the best archer in the village. But her greatest challenge comes when she has to sit and do nothing while her people face the army of Sargon. She receives a visit from her grandmother, known to some as Heth's whore and to others as Athena, Goddess of Wisdom and Battle. Premarital counseling from a 300-year-old concubine might make the difference between victory and defeat in the quest to forge the Hittite Empire.
