For many years same-sex marriage had been in the news in the U.S.A., earlier as a fight for freedom to marry, now for being legal and it seems, it is going to stay in headlines for coming years as well. This short book covers all about the long struggle from Harry Hay (1948) to Stonewall Riots (1969) and from Massachusetts s landmark decision of marriage equality in 2004 to freedom to marry in all the 50 states in 2015. How this became possible? What led to this Supreme Court ruling? You can find answers to all these questions in this book.
