Something is taking demons from the Spiritscape, leaving only a mysterious green haze. What is the new thing taking them More importantly, why are they being taken Who is going to get to the bottom of this The last question has only one answer: Zeke and Tone. The bad-boy, badass angel teamed with the powerful, smart-ass human, are the ideal team for this mission. Add in Arino the healer and girlfriend of Zeke, and Nazilaq the skimmer pilot, and the perfect team is back together. Perfect until the hunters become the hunted.
