Litfire Publishing, LLC, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The good news is that for the last 20 years most of our newborn children appear to have a DNA that is more advanced than their parents. They are eating healthier food, most do not eat meat. They want to protect the environment and love their neighbours. Yes, the vibrations on mother Earth are getting stronger and...
