Family Life in China (Paperback)

By William R. Jankowiak, Robert L. Moore

Polity Press, United Kingdom, 2016. Paperback. Condition: New. 1. Auflage. Language: English . Brand New Book. The family has long been viewed as both a microcosm of the state and a barometer of social change in China. It is no surprise, therefore, that the dramatic changes experienced by Chinese society over the past century have produced a wide array of new family systems. Where a widely accepted Confucian-based ideology once offered a standard framework for family life, current ideas offer no such uniformity. Ties of affection rather than duty have become prominent in determining what individuals feel they owe to their spouses, parents, children, and others. Chinese millennials, facing a world of opportunities and, at the same time, feeling a sense of heavy obligation, are reshaping patterns of courtship, marriage, and filiality in ways that were not foreseen by their parents nor by the authorities of the Chinese state. Those whose roots are in the countryside but who have left their homes to seek opportunity and adventure in the city face particular pressures as do the children and elders they have left behind. The authors explore this diversity focusing on rural vs. urban differences, regionalism, and ethnic diversity within China....

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Otis Wisoky

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
