

The Indigenous Peoples Message to the World

By Various

BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The award-winning Indigenous Peoples Message To The World delivers a timeless and more relevant than ever message to us all, and represents a collaboration of numerous organizations, individuals, and indigenous peoples from around the globe. Recorded live in the Amazon Jungle in Brazil in 1992 at the First World Conference of Indigenous Peoples, the extraordinary partnership captured here was spearheaded by Marcos Terena, the founder of the United Indigenous Nations, and supported by the Tribal Link Foundation and Land is Life. Excerpt from recording: We the Indigenous Peoples walk to the future in the footprints of our ancestors, from the smallest to the largest living being, from the four directions, from the air, the land and the mountains. The Creator has placed us, the Indigenous Peoples, upon our Mother the Earth. The footprints of our ancestors are permanently etched upon the lands of our peoples. We the Indigenous peoples are connected by the circle of life to our lands and environment. We the Indigenous peoples walk to the future in the footprints of our ancestors.

Reviews

Definitely among the best book I have got possibly study. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Olga Ledner MD**

Complete guide for publication enthusiasts. I have read and i am sure that i will going to study again once again in the future. Your way of life period will be transform once you total looking over this publication.
