Whose Child Is This?: Testamony - Updated Version (Paperback)

By J C Beaver

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Large Print, Updated. Language: English . Brand New Book ***** Print on Demand *****.This third edition is an update on the story of the child adopted by me when she was three and a half years old. She was loved, and she grew up in an atmosphere where only God knows the end from the beginning. God gave us a challenge, and He helped us through it daily. He gave us a child that was predisposed genetically to alcohol and drugs because her birth parents drank and took drugs before and during the pregnancy. She had a lot going against her before she was born. God knew she needed Him at an early age, because she was coming home to Him at an early age. She was a beautiful soul, who had a beautiful spirit until a demon of alcohol took control and drove her into an early death, but also into the hands of the Lord God Almighty. This is our story. It may be your story. Whatever story it is for you, let it bring you reassurance to know: God is able to deliver you and set you free.
