

## Small Animal Dental, Oral and Maxillofacial Disease: A Colour Handbook (Paperback)

By Brook A. Niemiec

Manson Publishing Ltd, United Kingdom, 2012. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. In an area of growing interest to veterinarians, the authors have produced a rapid reference to the practical clinical aspects of small animal dentistry. The text is arranged to reflect the clinician's thinking and approach to problems: background information, clinical relevance, key points, differential diagnoses, diagnostic tests, and management. Some 400 top-quality illustrations-color photos, imaging and diagrams-provide a critically important complement to the text. The color handbook-here with revised text and references-offers real-life insights into the progression of oral disease and has been welcomed as a working resource by veterinary practitioners and students, and as a valuable review by more advanced veterinary dentists.
