

The Operatic Problem (Paperback)

By William Johnson Galloway

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Operatic Problem is a classic opera history text by William Johnson Galloway. Opera has, since its origin, been considered the highest form of theatrical pastime. The very appellation opera indicates that in the land of its birth it was looked upon as the work par excellence, and to this day it is the form of Art which is invariably honoured by exalted patronage, and one that people pay the most to enjoy. It is hardly necessary to advance documentary evidence in support of this assertion; moreover, it is beyond the scope of this book to marshal all of opera history.
