

A Beginner s Guide to Knitting on a Loom (New Edition): How to Knit Over 35 Fun Beginner Projects on a Loom (Paperback)

By Isela Phelps

Search Press Ltd, United Kingdom, 2016. Paperback. Condition: New. New Edition. Language: English . Brand New Book. For those who have struggled in the past to knit with needles, loom knitting is an easy craft to master which children and adults alike can learn in a few hours. Loom knitting is a revolutionary way of knitting that uses a circular or rectangular loom, or knitting board, consisting of a frame with pegs. Looms are easy and fun to use, even without conventional knitting experience. An individual can create almost anything, from knitted tubes for hats or socks to flat panels for scarves, shawls and sweaters. This new and updated book is designed as an essential reference and a hands-on project resource for the loom knitter. The first part of the book provides loom-knitting techniques for both round and rectangular looms, and knitting boards. An inspiring design section presents more than 35 patterns to get the new loom-knitter started. Also included are a handy stitch pattern section and a glossary of techniques.

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- Mr. Grant Stanton PhD

A whole new eBook with an all new standpoint. It is actually rally fascinating throgh reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).

-- Claire Bartell
