Pub Date :2012-06 Pages: 239 Publisher: China Renmin University Press [Book Description] buzzwords and fashion culture - the use of the Marxist interpretation of the popular trend of writing in three parts: introduction, thematic and interpretation. The introduction describes the curriculum design ideas and the release of our contemporary buzzwords, and explains the relationship of the buzzwords and fashion culture. Topic is primarily reflected in the textbook Chapter II to Chapter VIII, divided into lifestyle, travel culture, show Culture, the Guoxue culture, Internet culture, film and television performing arts, culture and the best-selling book culture. Various topics related buzzwords as the starting point, describe, analyze to explain buzzwords phenomenon and its implication of a causal relationship. Chapter VIII of the first few chapters of the writing style is slightly different, the main consideration is the best-selling book is the source of a variety of popular elements can thus develop various forms of fashion products. In addition, analysis of the best-selling book can not fail to mention the author, so the use of a comprehensive analysis of the writing style. Chapter IX strive with Marxist theory, global analysis of contemporary popular thought, adding new content, new material for the ideological and political education. We can not ask to make the analysis and interpretation of Marx, Engels, revolution mentor hundred years after the death of the social and cultural phenomenon, but can guide the contemporary college students with their basic ideas and theories correct understanding of today's world of fashion culture and popular thought. Buzzwords and fashion culture - the use of the Marxist interpretation of the popular thought the basic materials used until 2008. Author warehouse management new trendy buzzwords...
