Very well, if you think you can handle it, then I will take you into the grimy swamps of the American south. A dangerous realm, filled with crocodiles and very angry NASCAR fans. Those who have made it out alive returned with stockpiles of secret recipes, involving arcane combinations of ingredients found at your local Bait and Tackle gas station. While these recipes are likely to reduce your life expectancy, you'll die happy. Let's be real, southern and bayou cooking has a unique style all to its own that you will not find anywhere. In fact, the French are secretly quite jealous of their loosely-French inspired cuisine that, in fact, often tastes quite better.So what are you waiting for? It's time to get on with your studies.
