(Payne) has the gift, as does John Keegan, of using prose to elevate facts, figures, dates and events into the realms of the dramatic. -Amazon Reviewer NO ONE LIVING IN NEW YORK CAN escape from George Gershwin. His music still comes in unrestrained and sometimes paralyzing abundance through the radio. Its gaiety, its flippancy, its violence, its electrifying blues passages, though written in the twenties and early thirties, still reflect the prevailing mood of New York. No other city could have produced him, and no other city has taken him so much to its heart. Robert Payne s first motive for writing his story was because he planned to write a long novel about New York, and wanted to get to grips with that strange, effervescent period when New York was still young and reckless. It was a satisfying ending, but Gershwin s ending was still more satisfying. George Gershwin was larger than life, and no one was ever so demanding. They said of him that he was like a young Prince, and nothing he ever asked for was refused him. Perhaps that was the tragedy, for certainly the stereotype of the brilliantly successful composer was not entirely satisfactory. So Robert Payne has painted him in the limelight, but also as he walked through the Shadows. Pierre Stephen Robert Payne (4 December 1911-3 March 1983), was a novelist, historian, poet, and biographer. Born in Cornwall, the son of an...
