The Twentieth school was built of logs hewn on two sides. The cracks were chinked and filled with plaster, which had a curious habit of falling out during the summer months, no one knew how; but somehow the holes always appeared on the boys side, and being there, were found to be most useful, for as looking out of the...

Reviews

I actually started off reading this article ebook. It is writter in simple phrases instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
