EXERGUE, 2015. Couverture rigide. Condition: Neuf. 9782361881245 - 2015 - 323 pages - 16 x 16 cm - Levez les yeux et vous allez découvrir les Anges de Paris : ils musardent çà et là, discrètement dévoilés, chacun d'eux racontant son histoire de la ville - amours et royauté, guerres et révolution, miracles et pèlerinages, art et architecture. Au détour d'une rue médiévale, voyez cette maison décorée d'anges gravés par une âme bienveillante qui vivait là au treizième siècle. Grimpez sur la butte Montmartre pour admirer un magnifique archange terrassant un énorme alligator. Dans un autre quartier, au-dessus d'une pâtisserie, une délicieuse enseigne du début du vingtième siècle montre deux angelots déversant des macarons au chocolat. Les anges ornent aussi les poignées de portes, les cadrans solaires, les paratonnerres, les portes cochères. Clés, miroirs, glands, fruits, cornemuses, fleurs de lys, compas ou coquilles Saint-Jacques les accompagnent, chaque objet ayant sa propre signification. Leurs histoires et celles des moines, des pirates, des duchesses et des Croisés s'entrelacent. Mais qu'ils domptent des lions, terrassent des dragons ou travaillent aux chemins de fer, les anges veillent sur la ville et la protègent, glorifiant sa beauté intemporelle.
