Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When David Rippy was looking for information or a practical guide to help him cope with his major disability, he was shocked by the lack of selection. Rippy was recovering from an accident that left him paralyzed from the neck down and wanted a book that could help him deal with both the physical and emotional challenges he was now facing. Among many other things, he would need to know how to survive, let alone thrive living with a high-level spinal-cord injury. After discovering and learning various techniques he found successful over many years and going on to enjoy great success in his career, Rippy decided to write his own book and share his findings. This one-of-a-kind guide brings his knowledge, insights, and experience to others living with disability or disease. Powering through Paralysis will help you reach your dreams in the face of tremendous physical obstacles. Rippy addresses many of these obstacles while including information on: Hiring a dependable healthcare assistant Approaching accessibility concerns Finding affordable and accessible transportation to fit your disability or disease by converting cars or vans Setting...
