In fact, millions of people deal with this life-changing issue every day. And if you're like most of them, you've tried all the normal solutions : doctors, injections, medications, and surgeries. While these all have a place in healing, they have fallen short in dealing with the pain epidemic. So what can you do? Nick guides readers on a journey that begins on the surface - tapping to address the pain itself - and moves to the deeper issues that often affect pain. With easy-to-follow tapping scripts and exercises, Nick helps you heal the emotional pain and underlying beliefs that often keep people stuck. He also addresses topics that you may not think of as associated with chronic pain, such as: \* Creating personal boundaries \* Dealing with toxic relationships \* Clearing resistance to change \* Understanding the power of a diagnosis \* Working through anger There are many ways the brain and body can create, increase and prolong pain. After reading this book, you'll not only understand what's causing your pain but also how to achieve complete and lasting relief. But let's face it; this is about more...
