## FINDING LOVE ONLINE!: INTERNET LOVE (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.More than one third of U.S. marriages begin with online dating, and those couples may be slightly happier than couples who meet through other means. Could this be true? If so - why? Of those who did not meet online, nearly 22 percent met through work, 19 percent through friends, nine percent at a bar or club and four percent at church. So who is happier? It is possible that individuals who met their spouse online may be different in personality, motivation to form a long-term marital relationship, or some other factor. This book is a MUST read if you or anyone you know is contemplating online dating. Easy to read and practical advise from an author who did find love online! Join her along with millions who have found love in the modern day virtual world of online dating sites and services. Purchase for yourself or someone you know who may benefit from this go-to book.
